

Urgent Action

Kyotoplus Campaign to Reduce Greenhouse Gas

Sign the *Kyotoplus* petition urging the Canadian government to make a strong commitment to climate action at the UN Climate Conference in Copenhagen in December, and to invest in a green economy at home.

Make your voice count by joining the chorus.

Sign the [Kyotoplus petition](#) for action on climate change by **November 2**, and participate in the **October 17–24 Week of Action** Connecting Climate Justice and Global Poverty.

TAKE ACTION:

- Use the [KAIROS Week of Action resource](#) for **October 17-24** to learn more about the connections between climate justice and global poverty.
- Write letters to your MP's
- For more information, see the May Mandate and the [United Church web site](#)
