

London Conference Invites YOU to

Famine, Food Banks, and YOU!

A unique opportunity to connect to the world...

When and Where?

Saturday 5 November, 2-5 pm - Thamesville United Church
Sunday 6 November, 2-5 pm - Siloam United Church, London

Who?

All caregivers of the earth.
Anyone interested in food -
how and where we
grow
transport
distribute and
consume it.

How we - YOU - can help do this more fairly.

Come as individuals or
come as a congregation.

What?

A day to think, speak, learn
how what you know and do locally
matters to the health of
all on this planet.

A day without jargon.

A day with others who
love God's creation.
